Ann,
Yes please include Richard's application on the March 16th agenda. I think Richard will be a very good fit for the Airport Advisory Board.

Do you want to submit this application to the commissioners to fill George's seat? If so, just shoot me an email and I can add it to the March 16th commissioners' meeting.

Thanks!
Ann

Ann,
I believe we still haven't found a replacement for George Morrison's seat. I don't know what Bill Naser's intentions are at this time. I guess we will find out at the next meeting.

THANKS,

February 22, 2020

Dear Sirs,

I am applying for a position on the AIRPORT ADVISORY BOARD.

I have owned a cabin home in the Todd Stonebridge area for over 3 years and will live there full-time as of March 1, 2020. As of 2/28/20 I am retiring from the US Postal Service after 42 years, working most recently at Headquarters as the Director of Business Customer Intelligence where I manage several programs and have 454 employees.

Moving to Ashe County full-time, my desire is to serve the county in some capacity.

As a general aviation pilot who owns his own plane and have a hangar at the Ashe County airport, serving on the Aviation board would allow me to serve in a capacity for the county.

I have enjoyed this county and its people for several years and this will allow me to "give back" to the county.

I have come to know Eric Payne, the Manager of the airport, and know I can work with him for the betterment of the county and the airport.

I appreciate your consideration for this position.

Sincerely,

A handwritten signature in black ink that reads "Richard Sherrill". The signature is fluid and cursive, with the first name "Richard" being more prominent than the last name "Sherrill".
