The North Carolina Department of Natural and Cultural Resources (hereinafter called the "Department") and Ashe County (hereinafter referred to as "Grantee") do hereby enter into this project agreement (the "Agreement"), effective as of the date of the last signature to this Agreement (the "Effective Date"), for the purpose of providing grant funding to the Grantee for public recreation purposes via either land acquisition, the construction of new public recreation facilities, or repair, renovation, improvement, or adaptation of existing public recreation facilities in North Carolina to assist with disaster recovery from Hurricane Helene. The Parties agree to comply with the terms, requirements, promises, conditions, plans, specifications, estimates, procedures, project proposals, maps, and assurances described in the North Carolina Parks and Recreation Trust Fund ("PARTF") statute (N.C.G.S. 143B-135.56) and administrative rules (07 NCAC 13K), N.C. Division of Parks and Recreation
North Carolina Department of Natural and Cultural Resources

Now, therefore, the parties hereto do mutually agree as follows:

Upon execution of this Agreement, the Department hereby promises, in consideration of the promises by the Grantee herein, to provide to the Grantee the grant amount shown above. The Grantee hereby promises to efficiently and effectively manage the funds in accordance with the approved budget, to promptly complete grant assisted activities described above in a diligent and professional manner within the project period, and to monitor and report work performance.

Section I. Eligible Project Costs, Fiscal Management, and Recordkeeping

1. The grant amount must be matched on the basis of at least one dollar of funding provided by the Grantee for every one dollar of funding provided by the State. To be eligible, project costs must be incurred during the period covered by this Agreement, be documented in the grant application, described in the project scope of this Agreement, and initiated and/or undertaken after execution of this Agreement by the Grantee and the Department. The Department shall only pay or reimburse the Grantee for reasonable, eligible costs actually incurred by the Grantee that do not exceed the grant award amount for the Project outlined on page 1 of this Agreement.
2. HRF assistance for land acquisition will be based on the fair market value of real property or the sales price, whichever is less. The value must be based upon an independent appraisal by a licensed appraiser holding a general or residential certification from the North Carolina Appraisal Board. The Department shall review the appraisal as to content and valuation. Approval of appraised amounts rests with the Department. The Grantee agrees to begin development on HRF acquired land within five (5) years of the Effective Date of this Agreement in order to allow general public access and use.
3. Payment shall be made in accordance with this Agreement, the Scope of Work (Attachment B), and PARTF and HRF statutes and rules. Payment for work performed will be made upon receipt and approval of invoice(s) from the Grantee documenting the costs incurred in the performance of work under this Agreement. Invoices may be submitted to the Contract Administrator quarterly. Final invoices, including accounting records that document all expenditures and request for reimbursement, must be received by the Department for approval prior to or at the time of the close-out inspection. Accounting records should be based on generally accepted local government accounting standards and principles. All accounting records and supporting documents will clearly show the Project Number and Project Title to which they are applicable.
4. Records created or obtained under this Agreement shall not be destroyed, purged or disposed of without the express written consent of the Department. State basic records retention policy requires all grant records to be retained for a minimum of five (5) years or until all audit exceptions have been resolved, whichever is longer. Also, if any litigation, claim, negotiation, audit, disallowance action, or other action involving this Agreement has been started before expiration of the five-year retention period described above, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular five-year period described above, whichever is later.

5. The State Auditor, DNCR Internal Auditors, the joint Legislative Commission on Governmental Operations (as well as applicable legislative employees), and any other authorized State entity shall have access to persons and records as such access is required under North Carolina law (including but not limited to N.C.G.S. §§ 143-49 & 147-64.7). Additionally, as the State funding authority, the Department shall have access to persons and records as a result of all contracts or grants entered into by State agencies or political subdivisions.
6. The Grantee agrees to refund to the Department, subsequent to an audit of the project's financial records, any costs disallowed or required to be refunded to the Department on account of audit exceptions. The Grantee agrees that any unused State-awarded funds remaining after the completion of the project or termination of this Agreement shall revert back to the Department to be deposited into HRF for distribution by the PARTF Authority.
7. The Grantee shall use best efforts and take all reasonable steps to obtain alternative funds that cover the losses or needs for which the State funds are provided, including funds from insurance policies in effect and available federal aid. State funds paid under N.C. Session Law 2025-26 are declared to be excess over funds received by a recipient from the settlement of a claim for loss or damage covered under the recipient's applicable insurance policy in effect or federal aid. If the Grantee obtains alternative funds, the recipient shall remit the funds to the Department. The Grantee is not required to remit any amount in excess of the grant award amount.
8. The Parties agree and understand that the payment of the sums specified in this Agreement is dependent and contingent upon and subject to the appropriation, allocation, and availability of funds for this purpose to the Department.

Section II. Project Execution

1. The Grantee may not deviate from the Scope of Work outlined in Attachment B without the prior written approval of the Department. When the Grantee seeks to change an element of the project, including, but not limited to, the project scope, a revised estimate of costs, a deletion or additions of project deliverables, or an extension of the Agreement period, the Grantee must submit in writing a request to the Department for approval.
2. The Grantee agrees to permit periodic audits and site inspections by the Department to ensure work progress in accordance with the approved project, including a required close-out inspection upon project completion. After project completion, the Grantee agrees to conduct compliance inspections at least once every five (5) years and to submit a Department-provided inspection report to the Department.
3. The Grantee shall not subgrant any of the work contemplated under this Agreement without prior written approval from the Department. The Department shall not be obligated to pay for any work performed by any unapproved subgrantee or subrecipient. The Grantee or subrecipient is not relieved of any of the duties and responsibilities of this Agreement. Furthermore, any subrecipient must agree to abide by the standards contained in this Agreement and to provide all information to allow the Grantee to comply with these standards.

 - a. The Grantee is not relieved of any of the duties and responsibilities provided in this Agreement;
 - b. The Grantee's contract with the subcontractor must provide that the subcontractor agrees to abide by the standards contained in this Agreement or to provide such information as to allow the Grantee to comply with these standards; and
 - c. The Grantee's contract with the subcontractor must provide that the subcontractor agrees to allow state and federal authorized representatives access to any records pertinent to its role as a subcontractor.

7. The Grantee agrees land acquired with HRF assistance shall be dedicated in perpetuity as a recreation site for the use and benefit of the public, the dedication will be recorded in the deed of said property and the property may not be converted to other than public recreation use without the prior written approval of the Department. The Grantee agrees to maintain and manage HRF-assisted development/renovation projects for public recreation use for a minimum period of twenty-five (25) years after project completion.
8. The Grantee agrees to operate and maintain the project site so as to appear attractive and inviting to the public, kept in reasonably safe repair and condition, and open for public use at reasonable hours and times of the year, according to the type of facility and area.
9. The Grantee agrees to place utility lines developed with HRF assistance underground.
10. The Grantee shall, in the landscaping of all HRF-funded projects, only use seeds and plants classified by the U.S. Department of Agriculture as native to the Southeastern United States, including cultivars and varieties thereof that were not bred to have reduced reproductive structures, with a strong preference for plants the U.S. Department of Agriculture has classified as native to North Carolina. The "Southeastern United States" shall be defined as the states of Alabama, Georgia, North Carolina, South Carolina, Tennessee, Virginia, and the following counties in Florida: Bay Calhoun, Escambia, Gulf, Holmes, Jackson, Okaloosa, Santa Rosa, Walton, and Washington. Section III. Project Termination and Applicant Eligibility

1. The Grantee may terminate this Agreement at any time prior to the expenditure of funds by the State on the project described in this Agreement by providing written notice to the Department.
2. Termination by Mutual Consent: The Parties may terminate this Agreement by mutual consent with sixty (60) days' written notice to the other Party, or as otherwise provided by law.
3. Termination for Cause: If, through any cause, the Grantee shall fail to fulfill its obligations under this Agreement in a timely and proper manner, the Department shall have the right to terminate this Agreement by giving written notice to the Grantee and specifying the effective date thereof.

In addition, in the event of default by the Grantee under this Agreement, the State may immediately cease doing business with the Grantee, immediately terminate for cause all existing contracts the State has with the Grantee, and de-bar the Grantee from doing future business with the State.

4. Effect of Termination:
 - a. In the event the Contract is terminated by either party, the Grantee will be paid for work that is satisfactorily completed under the terms of this Contract, as determined by the Department and under the terms herein, minus any payment or compensation previously made. Notwithstanding the foregoing provision, the Grantee shall not be relieved of liability to the Department for damages sustained by the Department by virtue of the Grantee's breach of this Agreement, and the Department may withhold any payment due the Grantee for the purpose of setoff until such time as the exact amount of damages due the Department from such breach can be determined.

A failure of either party to insist upon strict enforcement of any term or provision or to exercise any right, option, or remedy of this Agreement, or to require, at any time, performance of any provision hereof, shall not be construed as a waiver of any such term or provision. No waiver by either Party of any term or provision hereof shall be binding unless made in writing and signed by the other, approving party.
6. Neither party shall be deemed to be in default of its obligations hereunder if and so long as it is prevented from performing such obligations by any act of war, hostile foreign action, nuclear explosion, riot, strikes, civil insurrection, earthquake, hurricane, tornado, or other catastrophic natural event or act of God.
