Dear Missy,

The Ashe County Public Library Local Advisory Board would like to recommend James Bumgarner to be considered by the Ashe County Board of Commissioners for appointment to the regional board. Dr. Bumgarner completed a 20-year military career as a Naval Officer before serving as a K-12 educator and literacy specialist for an additional 20 years. He has served on the local board since 2023.

All the best,

Laura McPherson
