

The Honor Flight Network is currently serving veterans who served from World War II to the Korean War and through to Vietnam. We also serve catastrophically ill and injured veterans from all service eras.

To participate on an Honor Flight trip, click the button below to register with an Honor Flight Hub in your area.

Our Mission

The mission of Honor Flight is to celebrate America's veterans by inviting them to share in a day of honor at our nation's memorials.

Our Vision

A nation where all of America's veterans experience the honor, gratitude, and community of support they deserve.

The Honor Flight Network is a national network of independent Hubs working together to honor our nation's veterans with an all-expenses paid trip to the memorials in Washington, D.C., a trip many of our veterans may not otherwise be able to take. Participation in an Honor Flight trip gives veterans the chance to share this momentous trip with ot

remember

A nation where all of America's veterans experience the honor, gratitude, and community of support they deserve.

THE HONOR FLIGHT NETWORK

The Honor Flight Network is a national network comprised of independent Hubs working together in furtherance of the Honor Flight mission. In furtherance of this common goal, we have the opportunity to show our nation's veterans the appreciation and honor they deserve. Participation in an Honor Flight trip gives veterans the opportunity to share this momentous occasion with other comrades, to remember friends and comrades lost, and share their stories and experiences with other veterans. All honored veterans travel at no cost to the veteran.

The Honor Flight Network is currently serving veterans from the WWII, Korean War and Vietnam War eras. We also serve terminally ill veterans serving during any era. Please visit the website or contact your **Regional Hub** for information on applying as a veteran or guardian for an Honor Flight trip.

THE HISTORY OF THE HONOR FLIGHT NETWORK

The Honor Flight Network was formed in 2005 by Jeff Miller and Earl Morse with a mission of honoring our nation's veterans by bringing them to Washington, DC to visit the memorials and monuments to their

SUPPORT US

service and sacrifice. While originally focused on honoring our nation's World War II veterans, the Honor Flight Network now also honors those who served in the Korean War, Vietnam War, intermediary operations, and in special cases of terminal illness or injury, veterans from more recent service eras. Since its formation in 2005, the Honor Flight Network has taken more than 245,000 veterans to Washington D.C. Today, the Honor Flight Network is currently comprised of over 128 hubs throughout the country dedicated to carrying out the Honor Flight mission and the Network, as a whole, serves over 22,000 veterans each year.
