RE: 5K Run For Warmth

Dear Daniel,

Ashe County looks to host the "5K Run For Warmth" on February 25th, 2023. This event will help to raise funds for both Generations and ARC fuel assistance funds. Ideally this has the potential to be a yearly or bi-annual event to provide an additional avenue for raising funds for the community as well as raise awareness of the programs to reach more of our community members in need.

We also support this event because of the advanced planning that has already gone into it. This year the proposed route will have the start and finish line in the parking lot of Generations and make a loop through the Beaver Creek area (please refer to the provided map). Use of the parking lot has been approved through Generations.

We would appreciate the support of NCDOT in granting the required special use roadway permits. Please let me know if you have any questions regarding this event.

Thank you for your support,

Adam Stumb
County Manager
