We need to add a lien against the fire association property to the agenda.

Subject: Ashe Fire/Rescue Assoc. - Board Action Needed Soon

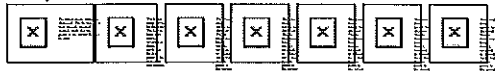

Sam, as we discussed, USDA will be taking a Deed of Trust on the property where the safety training facility will be located (in which there is a Lease Agreement for) which is owned by the county. There will be a Promissory Note to the Fire Assn.

It would be good to go ahead and get the Board's approval for you to sign the Deed of Trust for the county so that will be taken care of when loan closing occurs – which will happen after construction completion. I will need a copy of the minutes where they delegate you to sign on behalf of the county.

Debbie
