Jennifer,

That is wonderful news to have a representative from Ashe County at the NCACC Annual Conference. I will copy the commissioners on this email as a notification that a picture will be taken with Ms. Scott at the August 7th meeting. Would you like to be placed on the agenda to introduce her to commissioners and provide her background information?

Let me know.

Thanks!
Ann

Hi Ann,
Everyone year Ashe County 4-H is supposed to send a youth representative to the North Carolina Association of County Commissioner's Conference held in August. This year we have a representative who has agreed to attend. They are required to attend a Commissioner's Meeting and get their picture made with the commissioners before the conference. Can this be put on the August 7th agenda? The youth representative will be Savannah Scott. If you have any questions or concerns please feel free to email or call me. Thank you!
Jennifer
