Anne,

I do want to come next Monday, but didn't see your email until tonight. I am in Raleigh at a REDI conference with NC Rural Center. I don't have information for the commissioner's packet, but planned to share our current programming and talk about how the library is working with community partners to inspire civic engagement. You could include this link to our recent Calendar Year / Fiscal Year information: [http://www.arlibrary.org/images/2017\\_Infographic.pdf](http://www.arlibrary.org/images/2017_Infographic.pdf) I will bring copies of this infographic to the meeting for Sam and the commissioners.

I hope I didn't miss the opportunity to be included on next Monday's agenda. I have already invited our Friends and board members to attend next week in support of the library.

Thank you,

Hi Suzanne...do you still want to be scheduled on next Monday's commissioners' agenda? If so, I need your information for the commissioners' packets as soon as possible this morning.

Thanks!  
Ann
