Ann,

Can you please add an item to the July 16 Commissioner's Meeting to address a budget change request? Ashe DSS received \$36,000 in Adoption Promotion Funding. We call it Adoption Incentive in the county budget. I had budgeted zero for that item, because I did not know if we would receive any or how much we might receive. I need to request the commissioners to add to the revenues and to the expenses an amount of \$36,000. These monies are received from the state of North Carolina for completing adoptions. We use the incentive funds to recruit, train and support foster and adoptive parents.

Thank you
