RE: Cleaning Contract

Summary:

| | Bid monthly/annually/ 1 ½ year contract |
|---------------------------------|---|
| Tina Carson | \$6,500/ \$78,000/ \$117,000 |
| Clean Break Commercial Cleaning | \$5,800/ \$69,600/ \$104,400 |
| Current Contract | \$ 6,417/ \$77,000/ \$115,500 |

Below are several options available to the Commissioners as you review the bids for the cleaning contract:

1. Award a contract to either bidder.
2. Ask the current contractor to continue cleaning at the current price of \$6,417 till the end of the budget year.

The administration department can work with either contractor, based on better supervision and reporting. The second option included, if acceptable to the contractor would be to continue the current contract price until the end of June and have a new contract ready for the next budget year FY 19/20.
