Subject: Item for April 15 BOC agenda
Attachments: resolution for surplus property disposal generator to Warrentsville VFRD 2019.doc

Ann,

Can you please put this on the April 15th BOC agenda. This generator was used at the old jail on Academy Street and the maintenance department has asked to surplus it. It would not be large enough to replace any of our current facility generators should they malfunction. Warrentsville Volunteer Fire and Rescue Department's generator that provides back-up power to their fire station went out last fall. They have asked if the commissioners will donate this generator to the fire department to use at the Warrentsville fire station.
