>> We would like to request to have a partial closure of Hwy 16 from Hwy 163 to Reno Rd. This would take place on August 31st from 8:00am till 7:00pm. We would need a written letter of acknowledgment for DOT from the Commisioners We are expecting about 2000 to 3000 people that would attend this event. An alternative route from Reno Rd. To Bare Rd would let people get to Hwy 163 which should not effect travel for the motorists. All residents in the area that are effected would be given proper notice and would be able to use Hwy 16 as usual. The Sheriff's Office would be able to provide traffic control as it deemed necessary. Part of the road would be used for parking , and for event goers to safely walk or take the shuttle to the event. A map will be available to review. Thank you for your consideration in this very big event.
