Ann,

Yes, Andy Powers was one that we had been working with as a nominee. I'm glad he sent in his application and we request that the commissioners appoint him to the advisory board. I have also attached an application for Alex Church and we recommend that he be appointed to the board as well. We can get this on the agenda for the next meeting it would be great and I am more than happy to attend if anyone has any questions about the purpose of the Farmland Preservation program or the nominees.

Thank you,

Travis

Hi Travis!

I received an application from Andy Powers for the advisory board. Would you mind to send me an email requesting that the commissioners appoint him to the advisory board? Also, do you know if there will be any other applications the commissioners need to consider? If so, I will hold off and do them all at one time.

Thanks!

Ann
