Hey Brian,

There is no cap on console furniture. We only have caps of \$1700 on computer workstations. If you want to get a quote, you can provide that to us for eligibility on it because sometimes the vendors include items that are not on the approved use of funds list in the invoices.

Thanks!

DANETTE,

I HAVE A QUESTION CONCERNING WORKSTATION FURNITURE REPLACEMENT. I AM SURE AS WITH EVERYTHING ELSE THERE IS A CAP ON WORKSTATION FURNITURE. BASED ON BEST PRACTICES REPLACE SCHEDULE OF THE 911 BOARD OUR PSAP SHOULD HAVE GOTTEN NEW FURNITURE IN 2017. I AM LOOKING TO REPLACE IT THIS YEAR BUT I DO NOT KNOW WHAT THE CAP IS PER WORKSTATION. SPECIFICALLY THE FURNITURE.....NOT INCLUDING COMPUTERS ETC.

IF YOU HAVE A LIST OF CAPS FOR EVERYTHING WE PURCHASE I WOULD LOVE TO HAVE A COPY PLEASE!

THANKS!

Brian Greer

Hey Brian,

We had further discussions amongst staff over the past couple of days regarding the approved seat count for Ashe. I wanted to let you know that based on the formula, and those further discussions, you are eligible for 4 seats in the primary. The attached quotes are eligible for 911 funds. I have also updated our seat count document to reflect the 4 approved seats for the primary.

As far as the used equipment, I did talk with Pokey, and it is something that I need to run by Mr. Bradford for further guidance as staff has not had inquiries in the past regarding used equipment. I will forward your email to him, and ask that he provide some input.

Thank you for your patience while with me dealing with these requests. It's always a pleasure to work with you. ☺
