Subject: Mutual Aid Agreement

Good morning!

I hope you've had a good week! Andrew and I would like to set a meeting time to talk to you about a mutual aid agreement between State and County SWCD's.

The North Carolina Soil and Water Conservation has put together a Personnel Mutual Aid Agreement. This agreement was brought up with the plan of helping other SWCD departments if the need arises. Instances of assistance include but are not limited to; helping other districts/counties with job approval authority, helping any new hires with questions, assisting other counties in projects if the need arises.

One issue that brought Soil and Water Conservation Districts together state wide was when Hurricane Florence hit North Carolina. Soil and Water technicians from all over the state joined together to help neighboring counties in need as they had different technical skills that were much needed in these devastated parts. It is a great honor to help our wonderful county with its conservation needs and to keep it beautiful, but it's also honorable to help out fellow conservationist to become the best they can be if we can aid them in job skills that they need, and to help our state in a matter of emergency. Many districts have always helped each other, and the need for a mutual aid agreement came up to be able to secure the need to help other districts. We discussed this with our Board members at our meeting on Tuesday, September 8th and they were all in favor and made a motion to accept the mutual aid agreement. Upon your approval, we will need your signature of acceptance before we send it on to NC Division of Soil and Water for a signature.

Attached is the Personnel Mutual Aid Agreement if you would like to take time to read over it before we meet. We appreciate all you do!

Enjoy your weekend!

NORTH CAROLINA SOIL AND WATER CONSERVATION SHARED PERSONNEL MUTUAL AID AGREEMENT

This agreement is entered into between the North Carolina Association of Soil and Water Conservation Districts (Association), the NCDA&CS Division of Soil and Water Conservation (Division) and by each of the Districts and Counties that adopt and execute this Shared Personnel Mutual Aid Agreement, hereinafter collectively referred to as the “parties.”

SECTION 1: BACKGROUND STATEMENT AND PURPOSE

Whereas previous natural disasters have demonstrated the need for Districts to share personnel for disaster assessment and technical assistance for disaster recovery efforts;

Whereas the parties to this Agreement recognize the importance of mutual aid and assistance in providing delivery of employee technical training;

Whereas, the parties to this Agreement wish to provide mutual aid and assistance amongst one another at the appropriate times;

Therefore, the parties agree to enter into this Agreement for mutual aid and assistance for disaster recovery efforts, delivery of employee technical training, and other mutually agreed-upon assistance with this Agreement embodying the understandings, commitments, terms and conditions for the specified mutual aid.

SECTION 2: CONDITIONS OF AGREEMENT

It is mutually understood that each party's foremost responsibility is to its own citizens. The conditions of this Agreement shall not be construed to impose an absolute obligation on any party to this Agreement to provide aid pursuant to a request by another party. Accordingly, when aid and assistance have been requested, a party may in good faith withhold the resources necessary to provide reasonable and adequate services to its own District or County, by deeming itself unavailable to respond and so informing the party setting forth the request. This Agreement only binds each District or County to the extent that resources are available, and the allowance of shared resources is on a case by case request. Employees assisting with this process will remain employees of their original District or County and continue to function under their current employment conditions and coverages.

Together these programs address a variety of natural resources, environmental, and educational issues. The parties agree to allow their personnel to assist cooperating Districts and/or Counties, when possible, to build a conservation support network.

DEVELOPMENT OF CLEARINGHOUSE OF RESOURCES: The Association agrees to develop and maintain a Clearinghouse of resources consisting of list of all participating Districts and Counties who have entered into this Agreement. The Clearinghouse shall also include an inventory of personnel, their acknowledged skills and the primary contact for each participating District.

COORDINATION OF RESOURCES: The Association will provide from the Clearinghouse a list of resources to requesting Districts to assist cooperating Districts and Counties as needed.

LIABILITIES ACCEPTANCE AND FINANCIAL RESPONSIBILITIES: Counties and Districts that are parties to this Agreement acknowledge that their respective employees will continue to be their employees when assisting other Districts and Counties pursuant to this Agreement.

Any reimbursement and documentation for time and travel shall be negotiated between the respective parties and declared prior to any assistance being rendered.

SECTION 5: PERSONNEL MANAGEMENT

Personnel functioning as a shared employee with a partnering District or County should coordinate with their employer to assure that they are functioning within the limitations set by policies established by the employer. Any requirements from the recipient District or County should be disclosed and agreed upon prior to the arrival of shared personnel. Policies of the providing and receiving employers shall be understood and shared prior to assistance being rendered.

SECTION 6: DESIGNATION OF PRIMARY POINT OF CONTACT

Districts and Counties entering into this Agreement shall designate a primary point of contact established for receiving requests pursuant to this Agreement and shall notify the Association of this designation. This point of contact shall have knowledge of the District's resources and availability for providing assistance, including type of equipment available for use, amount of time allowable, and capabilities of available personnel. Participating Districts and Counties shall notify the Association when this point of contact changes.

SECTION 7: PROCEDURE FOR REQUESTING ASSISTANCE

Districts and Counties requesting assistance pursuant to this Agreement shall consult the Clearinghouse of participating Districts and Counties to identify which ones possess the personnel and other resources needed. The requesting District or County shall contact those Districts and Counties with capabilities

The parties may enter into a separate Task Agreement to specify the scope of cooperation for a particular request.

This Agreement covers the basic operation, implementation and understanding between all parties. Authority to carry out specific duties is granted only by the governing District and/or County and policies of that governance for which the employee is managed.

SECTION 9: MUTUAL AGREEMENT TO HOLD EACH OTHER HARMLESS FROM LIABILITY

To the extent allowed by applicable laws, each party agrees to protect, defend, indemnify, and hold the other parties, and their officers, employees and agents, free and harmless from and against any and all losses, penalties, damages, assessments, costs, charges, professional fees, and other expenses or liabilities of every kind arising out of action of every kind in connection with or arising out of aid rendered. To the extent that immunity does not apply, each party shall bear the risks of its own actions, as it does in its own day-to-day activities.

SECTION 10: PROVIDER'S EMPLOYEES COVERED AT ALL TIMES BY PROVIDER'S WORKER'S COMPENSATION POLICY

Recipient shall not be responsible for reimbursing any amounts paid or due as benefits to Provider's employees under the terms of the North Carolina Workers' Compensation Act, Chapter 97 of the General Statutes, due to personal injury or death occurring during the period of time such employees are engaged in the rendering of aid and assistance under this Agreement.
