North Carolina Emergency Management (NCEM) is pleased to inform you that the federal Fiscal Year (FY) 2021 Homeland Security Grant Program (HSGP) has been approved for funding. In accordance with the provisions of FY 2021 HSGP award, NCEM hereby awards to the foregoing subrecipient a grant in the amount shown above.

Payment of funds: The grant shall be effective upon final approval by NCEM of the grant budget and program narrative and the execution of the forthcoming Memorandum of Agreement. Grant funds will be disbursed (according to the approved project budget) upon receipt of evidence that funds have been invoiced and products received and/or that funds have been expended (i.e., invoices, contracts, itemized expenses, etc.).

Conditions: The subrecipient shall understand and agree that funds will only be expended for those projects outlined in the funding amounts as individually listed above. Subrecipient shall also certify the understanding and agreement to comply with the general and fiscal terms and conditions of the grant including special conditions; to comply with provisions of the 2 CFR 200 and all applicable laws governing these funds and all other federal, state and local laws; that all information is correct; that there has been appropriate coordination with affected agencies; that subrecipient is duly authorized to commit the applicant to these requirements; that costs incurred prior to grant application approval will result in the expenses being absorbed by the subrecipient; and that all agencies involved with this project understand that federal funds are limited to the period of performance. Subrecipient must read and sign forthcoming Memorandum of Agreement for acceptance of the award.

For projects involving construction or the installation of equipment:

Prior to funds being expended from this award the subrecipient must complete and submit an Environmental Planning and Historical Preservation form to NCEM for approval. On receipt of the approval letter from NCEM the subrecipient may begin to expend grant funds.

Supplanting: The subrecipients confirm that sub-grant funds will not be used to supplant or replace local or state funds or other resources that would otherwise have been available for homeland security activities. In compliance with that mandate, the subrecipient will certify that the receipt of federal funds through NCEM shall in no way supplant or replace state or local funds or other resources that would have been made available for homeland security activities.
