9:05 AM - Animal Control Director Joe Testerman - Animal Shelter Hours of Operation

**Attachments:** [07-02-18 Animal Shelter Hours of Operation](#)

Animal Control Director Joe Testerman recommended to the Board that the Shelter be open from 10 a.m. - 4:00 p.m. Monday through Friday. He also recommended that the Shelter be closed on Saturday or open only for adoptions. If the Shelter is open for animals to be dropped off, it is hard for one person to handle phone calls, animal intake, and other duties required at the Shelter. He told the Board that most animals are adopted by rescue groups and the adoptions normally occur on weekdays. Vice Chairman Rhodes asked that a record be kept of calls received on Saturdays. He also suggested that Saturdays be "by appointment" only. Commissioner McNeill stated that a lot of people have told him that they would like to have an option to come to the Shelter on Saturday. He was in favor of the "appointment only" option for Saturdays suggesting a time of being open to the public from 8:00 a.m. - noon. Commissioner Rose made a motion to change the Animal Shelter hours for the public to 10:00 a.m. - 4:00 p.m. Monday through Friday, and to be open to the public on Saturdays from 8:00 a.m. - noon by appointment only, effective July 9, 2018. Vice Chairman Rhodes seconded the motion. The motion passed with unanimous approval.

9:10 AM - Animal Control Director Joe Testerman - Use of Firearms by Animal Control Officers

**Attachments:** [07-02-18 Animal Shelter Officers Use of Firearms](#)

Animal Control Director Joe Testerman told the Board that animal control officers currently carry shotguns in their vehicles. He explained the need for rifles especially with the high number of rabies calls they answer. Mr. Testerman stated that several years ago a policy for firearms was developed and that he will bring the policy before the Board for review. He passed out information on a rifle that he has researched that would fit the needs of the animal control officers. The cost would be approximately \$2500 for three rifles. Commissioner Rose made a motion to place discussion of firearms for Animal Control Officers on the next agenda. Vice Chairman Rhodes questioned if there would be an issue regarding insurance if the officers carry rifles. Chairman Sands stated that he talked with the insurance company regarding this and was told the rifles would not pose an issue, however use of handguns would not be approved by the insurance company. With no further discussion, Commissioner Perry seconded the motion. The motion
